

Fuel Your Intellect

Eating breakfast is the best start to every great morning! With the high demand of today's fast-paced lifestyle, many students may not be able to sit down for a balanced breakfast each morning before heading to school. However, no need to worry—our schools are offering a great variety of healthy & tasty options. Students have the opportunity to have easy access to get a great start to their day with healthy nutrition!

Breakfast Benefits

- School breakfast meals meet the USDA standards for calories, sodium, and saturated fat.
- Healthy options such as a variety of fresh fruit, dairy, and grains are served daily for breakfast.
- Students are exposed to healthy food combinations to create healthy life habits.
- School breakfast eliminates the occurrences of students to not start school on an empty stomach, feeling tired, hungry, or irritable.
- Increases children's ability to concentrate on schoolwork.
- Decreases behavior problems, tardiness, and visits to the nurse.
- Increases attendance rates.
